

Christmas match box

Material required:

- Match box of any size
- colored paper or wrapping paper
- Cord
- Christmas pictures (e.g. from catalog, wrapping paper)
- Possible label with message
- BLANCOL glue stick
- BLANCOL special adhesive STYRO
- BLANCOL Glitter Glue Classic

1. Cut the paper to matchbox length and width (2x wide side, 1x narrow side, leaving the spread open).

2. Coat the back of the paper with glue and glue it tightly around the match box.

3. Finally, you can decorate the match box with BLANCOL Glitter Glue Classic, for example.
